

Ninety-Eighth Legislature - Second Session - 2004
Introducer's Statement of Intent
LB 1138

Chairperson: Tom Baker
Committee: Transportation and Telecommunications
Date of Hearing: February 3, 2004

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1138 amends section 60-678 to clarify that the authority given to municipalities to regulate or prohibit off-road recreation vehicles includes the ability to regulate or prohibit all-terrain vehicles, golf carts, go-carts and snowmobiles by specifically adding these types of vehicles into the statute.

LB 1138 also amends section 60-6,356. The statute currently provides an exception which allows all-terrain vehicles used for agricultural purposes to drive on highways. The bill limits the exception to highways outside the corporate limits of any municipality. The intent of the amendment is to give cities the authority over all-terrain vehicles within the corporate limits.
